

**REMARKS**

The Office Action of December 22, 2005 has been received and reviewed. Claims 1-16 are currently pending, each standing rejected. Reconsideration of the above-referenced application is respectfully requested.

**Reissue Oath/Declaration**

The reissue oath/declaration filed with the instant application was objected for omitting certain patentee information. A newly executed declaration, presented in updated form PTO/SB/52(10-05), is enclosed herewith. The new declaration includes the requested patentee information and specifically identifies the citizenship and residence of the inventor.

Claims 1-16 were rejected as being based upon a defective reissue oath/declaration. Submission of the newly executed declaration should obviate the rejection. Withdrawal of the rejections is respectfully requested.

**Allowable Subject Matter**

Claims 1-16 would be allowed if the oath/declaration was corrected as set forth in the Office Action. A newly executed declaration with the correct patentee information is enclosed herewith. Applicant respectfully request allowance of all claims.

Respectfully submitted,
